2) It is seen from the plan  
enclosed that the area of 146 sq yds to be

made up of two sites A and B. The footnote  
to the plan mentions that the upper portion A

from the plan itself that Sn Basappa and

Corporation of the City of

(Through the Mayor)

Sir

With reference to your  
letter no. L1 PR 21/50 51  
dated 17.2.53 on the  
above subject I am directed  
to state that it is seen  
from the plan enclosed under  
the area of 146 Sq yds now  
proposed for acquisition is  
made up of two lots 'A' and  
B. The foot note to the  
plan mentions that lot 'A'  
'A' has already been acquired,  
and this perhaps in connection  
with the formation of the Road  
shown as 'existing' along

and the Piles <sup>5</sup> of Sanyas Basappa  
and Basappa the place again  
shows that in Basappa and in Sanyas  
have been granted exchange Piles  
It is therefore not clear why in  
Sanyasappa was <sup>not</sup> similarly given  
exchange land then alone in respect  
of this portion along with them or  
cash compensation

Portion of portion marked A  
has previously been acquired, the remaining  
area to be acquired now would only  
be <sup>the</sup> portion B in the sketch, hence  
how portion A ~~also~~ could again be  
included for acquisition is not clear  
~~understandable~~

I am therefore to request  
you to clarify the portion in  
respect to the above two points  
and send the previous acquisition  
Records also on the subject for  
reference

The plan is herewith sent  
for reference and return

Yours faithfully

SIR

SUBJECT - Acquisition of portion of site No 13,  
Sinkenahalli Extension, Old VII Division,  
Bangalore City belonging to Sri B V  
Hanumanthappa for the formation of a  
road and to grant him exchange of land in  
the same area

With reference to your letter No L 22310/0 M.6-52-114 dated 28-3-1953 observing certain doubts on the bits of lands marked A and B in the acquisition plan now proposed for acquisition on the basis of exchange of land and also suggesting to clarify the position of the same, I write to state that the area measuring 1102 sq feet marked 'A' in the plan could not be notified for acquisition along with the neighbouring property of Sri T Durgappa and others in the Gazette notification No L 8037/M L 22-42-28 dated 15-2-1943 (copy enclosed) as the said land was under dispute in the Civil Court between Sri B V Hanumanthappa and others with regard to title. But it was subsequently decided in his favour and on the said decision the site No 13 in question was assessed by the Revenue Officer of this Corporation vide endorsement No B 7-K T R 63/50-51 dated 16th September 1950 after the receipt of the said endorsement, the party put an application to this office on 20-9-1950 praying for grant of exchange of land in lieu of the bit of land 'B' taken. In the above circumstances, it can be treated as that the land marked 'A' was not already notified and acquired by the erstwhile City Municipality, even though it was utilised for the formation of road in 1943

7

While recommending the exchange of land to the party, the Corporation Engineer in his report No E 3-G1 4414/50-51 dated 15-12-1950 also proposed to acquire a new bit marked 'B' in the plan measuring 210 sq. feet for widening the proposed southern road. The proposal of the Corporation Engineer was approved by the Corporation at their meeting held on 20th August 1952. Accordingly the draft notifications were sent to Government for sanctioning the proposal and to notify the same in the Gazette.

From the enclosed records relating to grant of exchange of land to Sri Shroff Basappa in the year 1940-41 (B 11-P R 118/40-41) it is seen that there was no proposal to grant of exchange of land to Sri B V Hanumanthappa in exchange of land marked 'A' in the plan. The record relating to grant of exchange of land to Sri T Durgappa is not readily available to be sent.

In these circumstances, it can be definitely stated that the bits of lands "A and B" marked in the plan enclosed, were not acquired on the previous occasions and the same have to be acquired now on the basis of exchange of land.

I request that sanction of Government may kindly be obtained for acquiring the bits "A and B", measuring 146 sq yards from Sri B V Hanumanthappa and to grant him the same area of Corporation land in the said place in exchange, early.

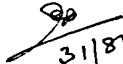

The records relating to grant of exchange of land to Sri Shroff Basappa may kindly be returned after perusal.

Forwarded with compliments
